EFFECTIVE TEACHER PROGRAMME (MIX & MATCH)

Session 1 of 5

Teaching and Learning Ideas- Becoming more Evidence Informed

Teachers will leave the day having reflected on their own practice after considering key research informed principles to make their teaching more effective. Research in education will be explored giving useful insights on how to fully equip oneself with an arsenal of evidence informed practice. Teachers will also be given low effort, high impact classroom ideas applicable for any subject, age or phase.

SESSION 2 - SEND, Pupil Premium & Inclusion; Who, What, Where, Why & When.

Date - 18.03.19 10:00-15:00

SESSION 3 - Behaviour & Relationship Management / Building

Date - 13.05.19 10:00-15:00
